

Established on the Côte d'Azur,

You wish

to reinforce

your international teams

Team Côte d'Azur

offers to help you

integrate
your foreign employees

BEFOREHAND:

We can assist in defining the need to build an international team.

- **Personalized meetings** to analyse the situation and projects at hand.
- **Administrative recommendations** on the status of foreign workers in France.

DURING HIRING:

We serve as interface with French authorities to validate the conditions for delivering administrative documents – work permits, residential cards... for non-European foreign workers.

- **Qualified and validated information** regarding recruitment and hiring procedures, as well as status of foreign workers and their families.
- Follow through of all **formalities** regarding residential cards, in partnership with the Alpes-Maritimes Préfecture.

IN SUPPORT:

We provide information and training for your administrative services to learn how to deal with the formalities linked to hiring foreign workers.

- **Conferences** for HR managers on international mobility themes, given by experts in the field.
- **Training sessions** on French social and fiscal laws regarding impatriation, expatriation and foreign detachments.

SPECIFIC CASES:

We offer to take charge of specific status cases.

- **Follow through of formalities** for foreign minors.
- **Integration** of researchers via the scientific reception protocol.

FOR THE INTEGRATION:

We organize short seminars for hired foreign people to help them with the integration into their new environment.

- **Sessions** on the French legal and administrative system regarding issues such as social coverage, housing and schooling.
- Internal half-day **seminars** on specific themes at company's request.
