## » REGIONAL DEVELOPMENT SUBSIDIES FOR INDUSTRY AND SERVICES (PAT INDUSTRIE ET SERVICES)

Grants allocated to businesses to **create, develop, or resume** operations within the AFR zone that meet criteria for the type of business and for the number of jobs created, as determined by decree.

### » WHAT ARE THE ADVANTAGES?

Three eligible categories of aids:

#### 1 - Creation of activity if:

- investment is less than or equal to 5M€ and creation of 25 jobs
- or investment is greater than 5M€ and creation of 50 jobs

#### 2 - Extension and/or evolution of activity if:

- Creation of 25 jobs representing 50% of staff
- Or creation of 50 jobs
- Or investment greater than or equal to 25M€

#### 3 - Company take-over under strict eligibility criteria (see decree of application)

NB: The amount of the subsidy cannot exceed the company's share capital and shareholder loans.

The Alpes-Maritimes Departmental Council and Provence Alpes Côte d'Azur Regional Council may supplement state aid, generally by matching the sums allocated, without exceeding, however, the authorized ceiling for productive investments.

- **35%** for small businesses
- **25%** for SMEs
- **15%** for large businesses (In the Grasse South canton no grants are available for large businesses).

### » WHICH EXPENSES ARE ELIGIBLE?

- Either investment costs related to the company's business and the program being subsidized
- Or salary costs for the jobs created, calculated over a 2-year period

### » HOW DO I APPLY FOR THESE GRANTS?

The company must fill out an application defining the objectives for which a grant is being requested. TEAM COTE D'AZUR is happy to assist you with this application.

The grant and the amount per job are dictated by the benefits created for the local economy.

The application will be examined by the Délégation Interministérielle à l'Aménagement et la Compétitivité des Territoires (DIACT).
